

IBM Cognos Analytics - Author Active Reports (v11.0)

Kód kurzu: B6098G

This course provides participants with an understanding of Active Report content and functionality within IBM Cognos Analytics - Reporting. Through lecture, demonstrations, and exercises, participants increase their IBM Cognos Analytics experience by building highly interactive reports using Active Report controls, which can then be distributed to and consumed by users in a disconnected environment, including on mobile devices.

Pro koho je kurz určen

Report authors wanting to develop interactive report content, or content disconnected from IBM Cognos servers.
